PROFILE

Flutter developer with over four years of experience building cross-platform Android and iOS apps – 20+ production-grade apps delivered with strong performance, reliability and user ratings. An earlier career in finance operations built the leadership and client-facing skills that now strengthen technical delivery. Currently completing an MEng in Computer Science at Gisma University of Applied Sciences and seeking a developer role or internship in a collaborative, agile team.

PROFESSIONAL EXPERIENCE

- Sep 2025 – present **Working Student – Operations & Digital Support**
Sant Buena Hospitality UG · Berlin
- Part-time role alongside the master's programme: café operations plus design of the team's operational tooling (daily prep tracker, weekly quantity planner, cleaning and shopping schedules).
- Sep 2025 – present **Working Student – Operations & Digital Support**
Earth blossoms UG (Drachenreiter Kita) · Berlin
- Part-time role in the Kita's daily operations; co-developed and maintain the Drachenreiter website.
- Dec 2019 – Jan 2023 **Mobile App Developer**
DIQ LLC (Developer in Qatar) · Doha, Qatar
- Developed and maintained 20+ mobile apps in Flutter, Java and Swift across the full lifecycle – requirements, UI, testing and release.
 - Achieved 99.9 % crash-free sessions and average store ratings above 4.5 through systematic unit and widget testing.
 - Integrated 30+ RESTful APIs, payment gateways and analytics; used Firebase, Supabase, MongoDB and MySQL for real-time features.
- May 2017 – Sep 2019 **Assistant Branch Head**
Manappuram Finance Ltd · Kerala, India
- Oversaw day-to-day operations and compliance of a finance branch – loan processing, account support, customer onboarding, local marketing and retention – and contributed to branch planning and performance.
